Study Area Boundary
Proposed Turbine Locations

Switchyards and Interconnects

UG/OH Interconnection
Proposed Substation 34.5/230kV
Switchyard (connection to HONI Grid @ 230kV)

Proposed Transmission Lines

230kV Overhead Line
34.5kV Overhead Line
34.5kV Underground Line
Threatened & Endangered Species
Species of Special Concern
Migratory Bird Flight Path
Unevaluated Wetlands
Woodlot

Kruger Energy
Stantec

0 1 2 Kilometers
